IV Therapy

— Our Treatments —

Anti Aging & NAD+

Turn back the time with NAD+ our signature Super Nova. These powerful IV Infusions promote cellular repair, boost energy, and support skin regeneration to get you back to your best version of yourself.

Energy & performance

Boost your energy levels and enhance performance. Whether you need sustained stamina, faster recovery, or an explosive boost, our IV Drips will help you achieve your performance goals.

Beauty Boost & Repair

Nourish your body and boost your natural beauty, with our specially formulated IV therapies, designed to help with issues such as hair loss, skin health, and promoting collagen production.

Customised & Prescription IVs

Our custom and prescription IV's deliver precise nutrients, hydration, and medical grade compounds to optimize wellness, boost recovery, and support long-term vitality under our expert supervision.

Immunity & Recovery

Our team will help you find the suitable IV treatment for your immunity and recovery needs, whether it be for illness, preventative measures, or surgical recovery.

Focus & Mental Clarity

Sharpen mental clarity, boost cognitive function, and fight fatigue with our brain and body boosting IV drips. Designed to enhance focus, productivity, and energy levels, stay sharp and energized.

Weight Loss

Enhance your metabolism, accelerate fat burn, and improve endurance. Packed with essential nutrients, amino acids, and hydration, these treatments will get your body into its optimal state.

Detoxify

Flush out toxins, boost your energy, and enhance your body with our powerful IV detox treatments. Whether you need a post party boost or a targeted cleanse we have got you covered!
